Final Quarter Plan

The final quarter plan is to confirm a student's plans regarding participation in the research lab, in consultation with the thesis advisory committee, and to confirm expectations for support.

This document is to be finalized at the last thesis committee meeting before scheduling the dissertation defense.

Student: _____

Date of defense: _____

Program: _____

Procedural chair: _____

☐

I plan to remain on campus and active in the lab after I defend my dissertation until the end of the quarter.

I understand my dissertation must be uploaded by the deadline established by the Dissertation Office.

Remaining/Continuing lab responsibilities:

☐

I plan to leave campus after my defense and my last day in the lab will be _____

I understand my dissertation must be uploaded by the deadline established by the Dissertation Office.

New position:

☐

I will not require registration; I understand my dissertation must be uploaded by the Dissertation Office deadline in the quarter I seek to graduate.

Graduation quarter: _____

Note: when not registered in Autumn, Winter or Spring quarters, you will not be eligible for insurance nor have access to Student Health Services. Privileges in Summer Quarter vary so please consult your program administrator.

Student signature: _____

Advisor signature: _____
